ERECO EMEA LTD – DIPCOG APPROVAL

1. DIPCOG approval was granted for your destruction service, based on the requirements of HMG InfoSec Standard 5, for ICT media protectively marked up to OFFICIAL (BIL 3) at the DIPCOG Committee meeting held on 29 JANUARY 2015. Destruction of classified assets must be in accordance with the approved Service Description and Application Note (SDA) for the service.
2. As part of this approval you are entitled to claim DIPCOG Approval and to use the DIPCOG logo on your promotional material.
3. A copy of the approved SDA note, DIPCOG logo and the CCS ICT Products Lot 3 appointed Agents of Supply are attached. The agents of supply will be notified of your success in the DIPCOG process separately however you are encouraged to make contact with them at your convenience to establish a route to market within the MOD and wider government for your service.
